MOMENTUM >US

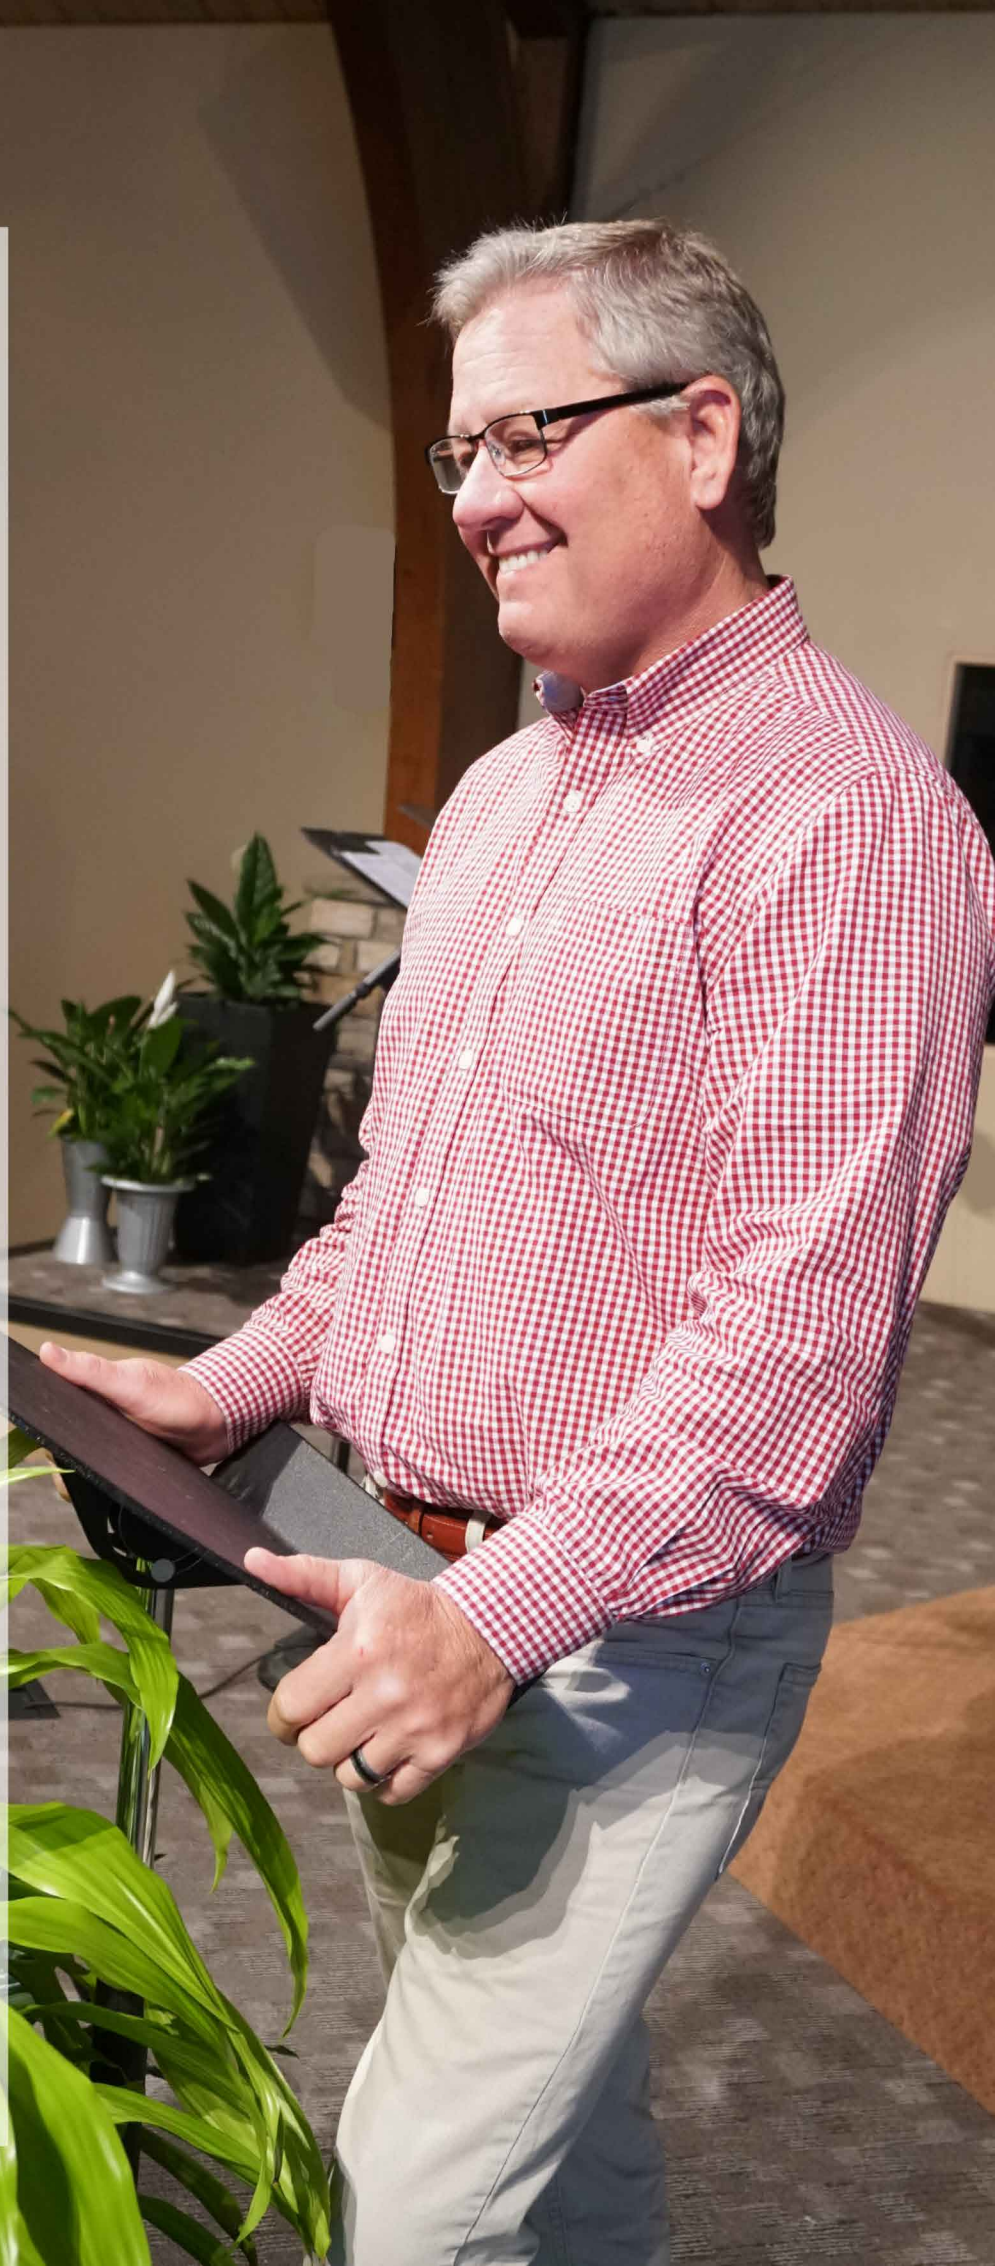

Momentum is a measurable entity. It is the speed or force at which an object is moving. It can decrease, increase or stay the same. The word from the Lord, for our church in 2018 is that we would experience greater Momentum this year, we would pick up speed and have an increase in force.

What an awesome promise!

The momentum of an object is connected to many elements. For example, the momentum of riding a bicycle is directly related to the tires, gearing, the strength of the rider and the external conditions like the steepness of the road. Similarly, the force at which an athletic team moves is conditioned upon the training, mental preparedness, skill, attitude and the external element of the competition. So, it is with the force at which a church can move. It is conditioned upon both internal and external elements including unity, the leading of the Holy Spirit, and the faith of the hearers.

When Paul was prohibited from going to Asia in Acts 16, it wasn't because something was wrong in him, it was because there was something about the environment in Asia that wasn't right. That is an example of an external element effecting momentum but other times it is something inside of us that limits what God wants to do.

Here's the awesome part. The promise of greater momentum for our church, from God, confirms that He recognizes both we and the environment are ready! So, let's continue to prepare our hearts and desperately seek His direction. As we do, we will be met with the force and power He has decreed for us. Let's go for it!

Bill & Fayth MCCONNELL

A Legacy of Service

■ Bill and Fayth McConnell are Open Bible missionaries in Northern Mexico. They've been serving for over 18 years and Calvary Open Bible has had the great privilege of partnering with them for over 12 years.

They have seen God move in miraculous ways in the lives they serve every day. From the men, women, and children in prison, to those elderly, handicapped and recovering addicts; God is changing lives!

The faith of our brothers and sisters in Nogales is so-

beautifully illustrated when they were faced with hardship. The congregation moved onto their new property using a tent as shelter for church, but a storm tore it down two weeks later. In spite of the initial seeming defeat, the congregation worshiped in the sun, rain, and cold. What an incredible testimony and example of fellow believers who hunger to encounter a living God!

The stories of God's faithfulness to his children abound in this community. Bill and Fayth have served this community in a manner that clearly exhibits the love of Christ. Let's find out from their own words how they've

"They {congregation} worshiped outside in the sun, the rain, and the cold. The people were faithful, and the church grew in spite of the hardships."

encountered God in part because of the faithfulness of these missionaries.

■ "My name is Sara and I want to share a testimony of God's miraculous answer to prayer."

Sara's son was entrenched in the mafia and suddenly left for dead. But God wasn't done with him.

"In our Bible study we have been praying for him so he could be safe, and God heard our prayers."

Sara's son survived and was taken to ITAMA a juvenile prison. It was there that he encountered God's love and reconciled with his mother.

"I am grateful from my heart for all that time that was spent

on prayers on his behalf and thanks and may God bless you. **Believe in God; He is real!"**

■ "Hi, my name is Dulce, and I know grace and mercy from God."

Dulce is a woman in prison who doesn't let any opportunity postpone her from sharing God's love.

"I can fall in the deepest of depression in abyss of loneliness, and **He will be my aide and my help...**The Open Bible group has changed my life; now faith is with me."

These are only a few of the countless stories shared by those affected by God's love in hardship and trial.

Thank you Bill and Fayth for serving, and sharing Christ's love.

2 Samuel 16:14-15 when David danced with all his might, shamelessly before the Lord.

Our heart is that this will be fun, encouraging and get us moving towards healthier lives, not perfection. We welcome women of all

ages and abilities and will offer "alternative" movements for things that might be challenging for some. We want every woman to feel like she can come here to make progress with her health and friendships.

David was a mighty warrior and he had to be fit to do the Lord's will for his life. While it was much different than what our various callings require, we want to take wisdom from David and do our best with what God has called each of us to do. We are not gym rats or Broadway dancers, we're just a group of girls that want to be healthier **together**.

The theme of this group is hiking to waterfalls, enjoying God's beauty together, and building relationships along the way. Our goal is to come away with new friends and strengthen current friendships as we explore together! These are family-friendly hikes, all ages are welcome! For those with kiddos ages 5 & under beware that many of these hikes are a few miles long round trip, and it can get hot during the summer. These hikes are moderate, with a few inclines here and there, but nothing extreme like hiking up a mountain. All are welcome, so come join us! We look forward to hiking with you!

Important Information and Times: We will be meeting at Calvary Open Bible at **8:00am** for every hike, leaving the church by **8:15am** and **no later. So make sure to be there on time!** Some of these hikes will take about an hour drive to get to, and we want to get there before the heat of the day. Wear comfortable shoes with good traction for the trails! Some of these hikes **require parking fees, so please bring at least \$5.**

40 Days to Lasting Change

40 DAYS
TO LASTING CHANGE

AN AHA CHALLENGE

Do you want to see change in your life - but don't know how to get there? In this thoughtful devotional, Kyle Idleman invites you to address your behaviors or thought patterns using three key elements: **Awakening** to the reality of your spiritual condition;

seeing with brutal **Honesty**, yourself and your need for a Savior; and realizing you need to take **Action** to follow Christ's example.

Drawing on the example of the Prodigal Son, Idleman shows us why each of these three elements is essential to lasting spiritual transformation and gives us practical tools to live them out.

Join us as we walk together through this 40-day devotional series. We will meet weekly to discuss what we have learned, share how God is speaking to us and encourage one another to grow in faith and discipline.

Connecting Artisans To Magnify The Lord

Calling Creative People To Connect

"In the beginning God created" are the first words we have that reveal the image of God. He is revealed to us as The Creator. We were created to reflect His image and so, the desire to create rises up in us because of our connection with The Creator. In our busy service

oriented lives, it is difficult to find a place and the time to connect with our creator and other creative followers of Jesus through the arts. Art should reveal the beauty, glory, and honor of God as an act of praise flowing from our inner most being as we connect with our Lord.

All creative hearts, whether photographers, performing artists, musicians and vocalists, writers, digital, 2 D and 3 D, and yes, culinary artists have a valuable place in the Kingdom of God as we take what was "not" and bring it into being. My hope is to create a place where we can connect with our Creator and with one another to express our creative gifts and grow in Christ-like character to glorify God through what He has given us.

Please join me and others for a journey of Creative Connections.

I liked it. It was fun, I was refreshed and I needed that.

Kellen was sitting down when worship started so I asked him why he wasn't dancing. He said he had a massive headache. I prayed for God to take Kellen's headache away so he could have fun worshipping, and God did! He healed his headache, it was amazing!!

Madison White

Worship was awesome and now I have an idea of people to pray for at my school.

Since GU Maddie has taken a bold step and followed through with praying for friends at her school!

The theme of this group is Worship. MOMENTUM

LIFE TOGETHER

Pastor John

The focus for this edition of the Calvary Magazine is, Momentum. At the beginning of the year, Pastor Kirk challenged us with this word, that 2018 would be a year of Momentum. Momentum is positive or negative, forward or backward. Momentum indicates increased movement, or progress in a certain direction. Our desire is to continually move in a positive direction, reflecting continual growth and maturity in the faith. However, we all experience times when things aren't going well and before we know it, we are in a downward spiral. Our Momentum is going in the wrong direction. We are called to live **Life Together**, so that when we begin to develop Momentum in the wrong direction, we have people around us who will speak words of truth and encouragement into our lives. We need others to help us regain Momentum in the right direction.

Band of Brothers

Proverbs 27:17 says "as iron sharpens iron, so one man sharpens another." Our goal with Band of Brothers is to encourage relationship and mentoring between men. We have several men who are eager to walk alongside younger men so that together they can encourage and build one another up in the faith. If you would like to join up with another man who will meet with you regularly and encourage your growth in the faith, we invite you to join the Band of Brothers.

Momentum can either reflect movement away from the direction God desires or progress toward a deeper relationship with Him. As a church and as individuals, we must seek Momentum that brings us ever closer to the purposes and plans God has for us. There is a great description of this kind of Momentum in Paul's second letter to the church in Thessalonica.

I Thess. 1:3 says, **"We ought always to thank God for you, brothers and sisters, and rightly so, because your faith is growing more and more, and the love all of you have for one another is increasing."**

What a great description of spiritual Momentum! When our faith is growing more and more and our love for one another is increasing, it is evident that God is working, and we are gaining Momentum in the right direction. It's not an accident that our faith develops, and we grow in love most effectively when we are doing **Life Together**.

Get connected with one or more Community Groups, live **Life Together** with others, and together we will gain Momentum!
